

# KAREN HAMBERG RGN, Independent Nurse Prescriber

**THE  
HARLEY  
MEDICAL  
GROUP®**

FOUNDED ON CARE

**Karen Hamberg** is a Registered General Nurse, a Nurse Independent Prescriber and the Clinic Manager for The Harley Medical Group at the Chelmsford clinic in Essex. Karen is a leading advanced aesthetic practitioner for Non-Surgical Solutions, and an experienced Surgical Nurse.

Karen qualified from The Royal London Hospital in 1993 as a Staff Nurse working on an Orthopaedic/Sports ward in the busy Mile End Hospital.

After living abroad in The United Arab Emirates, Karen returned to England to work as a senior staff nurse on a Breast & Bowel Surgical ward caring for patients undergoing all major surgeries in this field, as well as working in theatre. Karen was promoted to managing a team on The Surgical Assessment Unit in Medway, Kent. There she nursed emergency admissions for minor surgical procedures, urology and vascular patients.

Karen decided to move into the Cosmetic Industry and was elated when she was successful at joining The Harley Medical Group for in 2007. She was employed as Manager, utilising her previous skills and experience, and is now a senior Clinic Manager, Surgical Counsellor and Advanced Aesthetic Practitioner.

Karen strives to develop her skills, thus returned to University in 2014 to study as a prescriber at Anglia Ruskin University, where she successfully qualified as an Independent Nurse Prescriber (INP), allowing Karen to prescribe within her field of medicine.

As an advanced Nurse Practitioner Karen specialises in treating Muscle relaxant treatments, Anti-Wrinkle Injections and Dermal Fillers. Karen is also specialised in the removal of thread veins with Sclerotherapy, Chemical Peels and Genuine Derma roller treatments. Karen prescribes for the Obagi skin care system for various conditions.

Karen is a member of the NMC and RCN
