

MARILYN JENNINGS

RGN, INP

**THE
HARLEY
MEDICAL
GROUP®**

FOUNDED ON CARE

Marilyn Jennings is a Registered General Nurse (RGN), Independent Nurse Prescriber (INP) and Advanced Nurse Practitioner in Non-Surgical & Surgical Solutions with The Harley Medical Group, having joined the company in 1999.

Marilyn qualified from Kings College, London in 1996 and has a background in cosmetic surgery, gender reassignment surgery, trauma orthopaedics and cardio-thoracic surgery, working in both the NHS (King's College, London & The Nuffield Group (working at Guy's Hospital London and Brighton) as a senior staff nurse.

Marilyn has worked within The Harley Medical Group for over 15 years applying her expert knowledge in senior roles, including Clinic Manager and Lead Nurse in both London and Brighton.

In 2014 Marilyn successfully qualified as an Independent Nurse Prescriber (INP) from Brighton University.

Marilyn is an Advanced Nurse Practitioner with a passion and commitment to her role. She relishes keeping abreast of new development and techniques and skills in aesthetics. A specialist in anti-wrinkle injections, dermal fillers, thread vein removal with Sclerotherapy, chemical peels and Genuine Dermaroller treatments, Marilyn is an expert in individualising and tailoring treatments to suit each client's needs.

In her many years with The Harley Medical Group, Marilyn has successfully treated hundreds of patients, many of whom have become long standing satisfied customers. Marilyn has enjoyed sharing the stories of their lives, including getting married, having children and grand children and living life's many adventures. Marilyn always enjoys catching up with them and hearing about the next chapter in their lives.

Marilyn is registered with the NMC as an RGN and Independent Nurse Prescriber.
